

ASSIGNMENT NO 3

YEAR	AVERAGE DEATH PER YEARS
1980	20.42837878
1981	20.4186395
1982	20.40890021
1983	20.39916092
1984	20.38942164
1985	20.37968235
1986	20.36994306
1987	20.36020378
1988	20.35046449
1989	20.3407252
1990	20.33098592
1991	20.32124663
1992	20.31150734

1980:

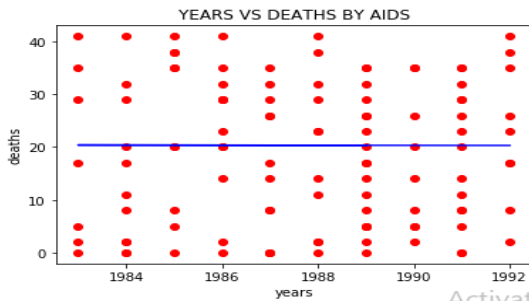

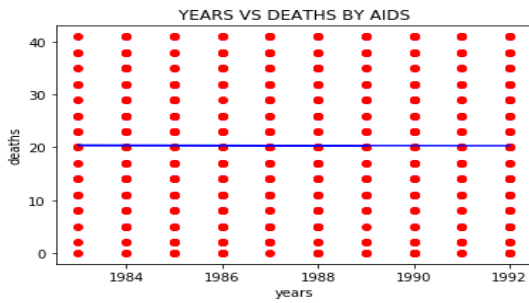

enter a number between 1980 and 2000: 1980

Year = 1980
Average deaths per years are given below
[20.42837878]

1981:

enter a number between 1980 and 2000: 1981

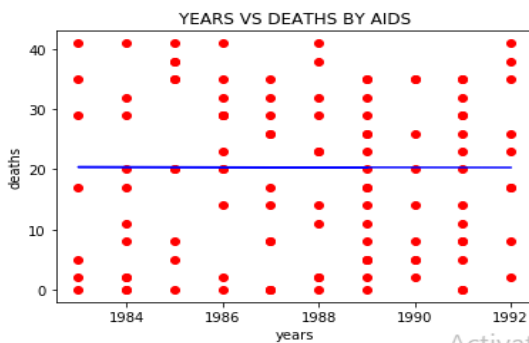

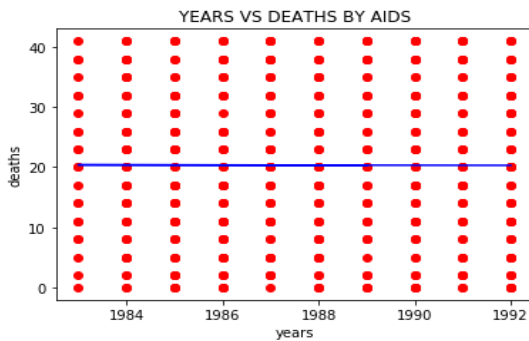

Year = 1981

Average deaths per years are given below
[20.4186395]

1982:

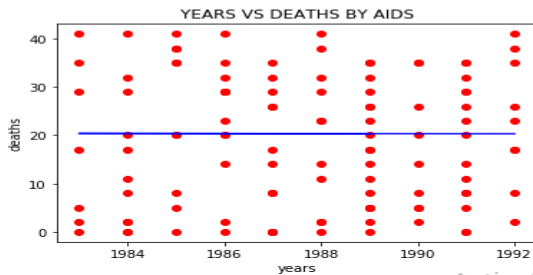

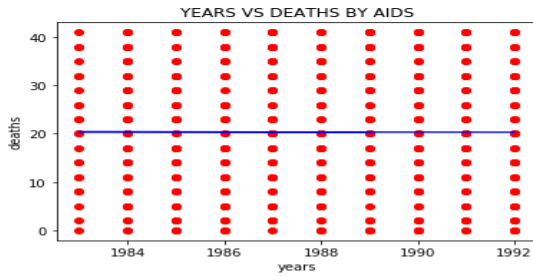

enter a number between 1980 and 2000: 1982

Year = 1982
Average deaths per years are given below
[20.40890021]

1983:

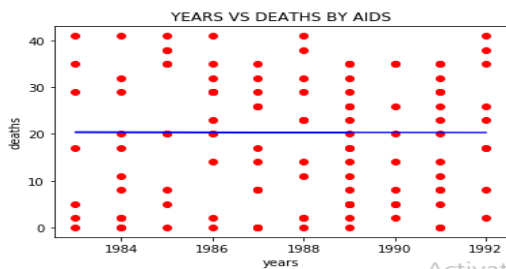

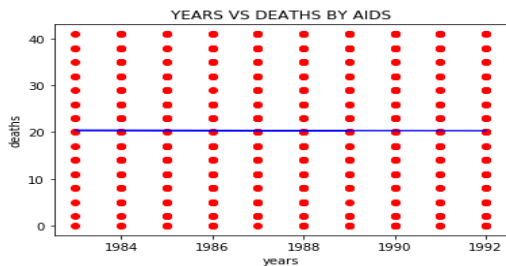

enter a number between 1980 and 2000: 1983

Year = 1983
Average deaths per years are given below
[20.39916092]

1984:

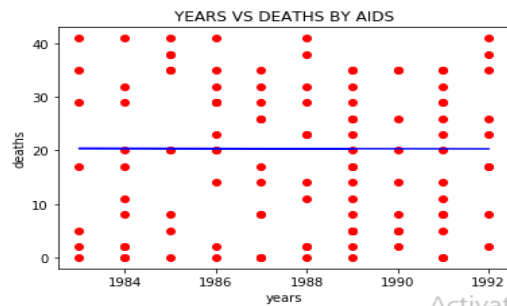

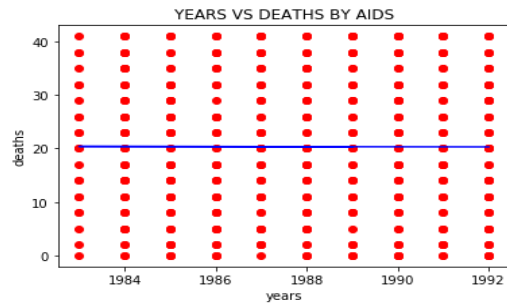

enter a number between 1980 and 2000: 1984

```
Year = 1984
Average deaths per years are given below
[20.38942164]
```

1985:

enter a number between 1980 and 2000: 1985

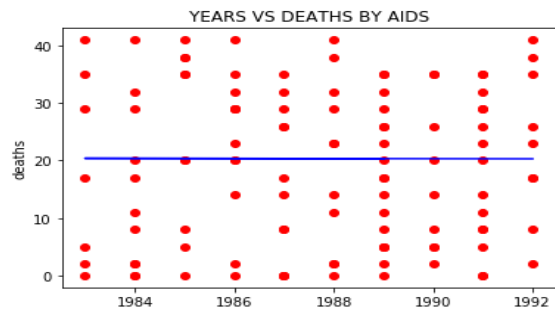

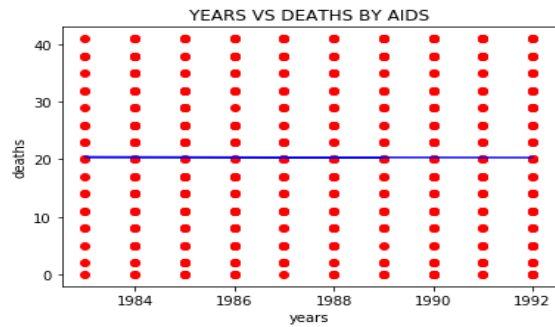

Activate Windows

```
Year = 1985
Average deaths per years are given below
[20.37968235]
```

```
In [7]:
```

1986:

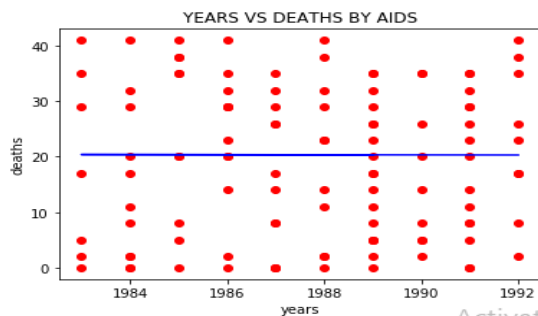

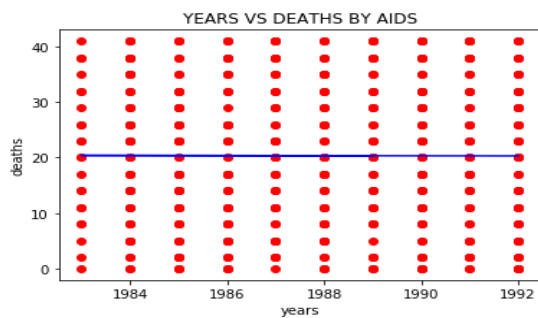

enter a number between 1980 and 2000: 1986

Year = 1986
Average deaths per years are given below
[20.36994306]

1987:

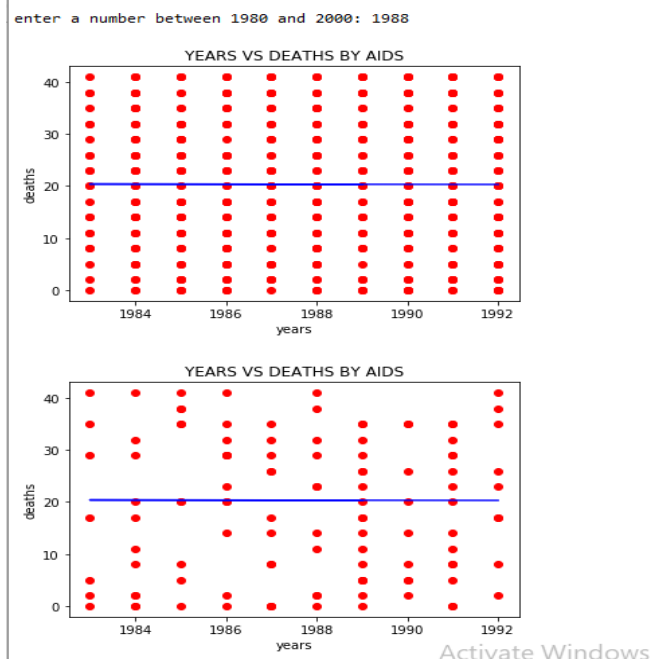

enter a number between 1980 and 2000: 1987

Activate Windows

Year = 1987
Average deaths per years are given below
[20.36020378]

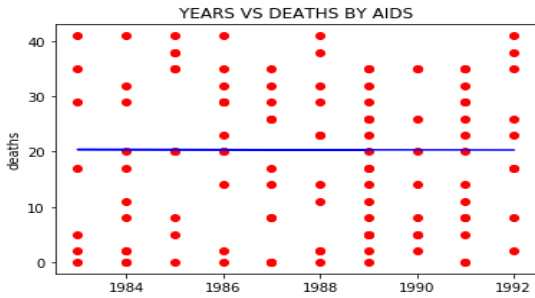

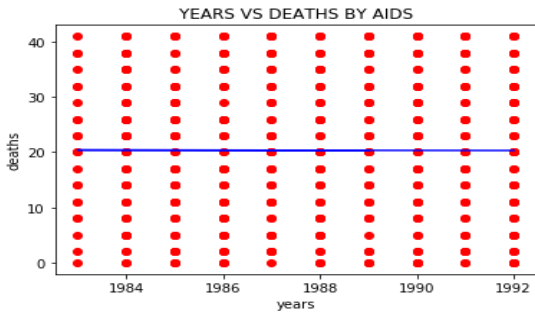

1988:

Year = 1988
Average deaths per years are given below
[20.35046449]

1989:

enter a number between 1980 and 2000: 1989

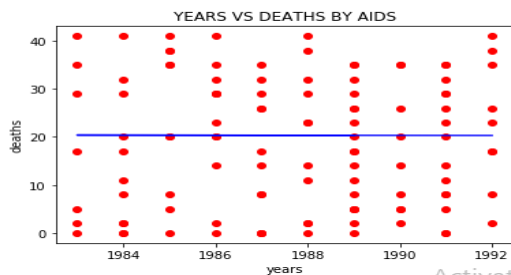

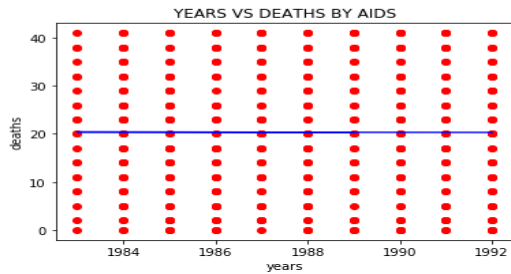

Year = 1989

Average deaths per years are given below
[20.3407252]

1990:

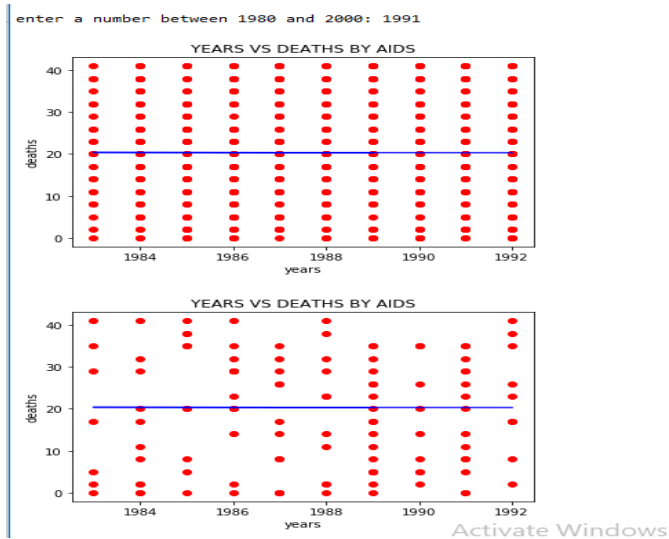

enter a number between 1980 and 2000: 1990

Year = 1990

Average deaths per years are given below
[20.33098592]

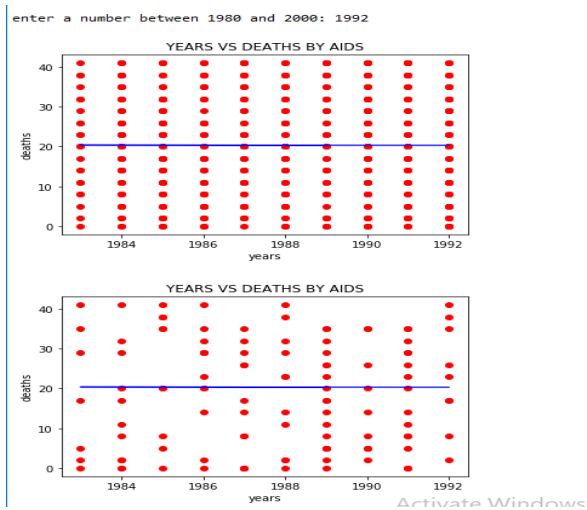

1991:

Year = 1991

Average deaths per years are given below
[20.32124663]

1992:

Year = 1992

Average deaths per years are given below
[20.31150734]
